Sample Press Release

The Ohio-based music ensemble, Lone Raven, will be bringing their performance of traditional Celtic and World music to

on _____ from _____ to _____.

Garnering rave reviews throughout Ohio and the surrounding states, Lone Raven perform an eclectic blend of traditional music from various areas of the world, as well as their own original compositions.

Their highly acclaimed vocal stylings are showcased throughout each concert, with Kara Markley, Hilda Doyle, Heather Doyle and Stephanie Doyle performing songs in both English and Irish Gaelic, among others. In addition, the five-part harmonies from the Doyles and Markleys captivate their audience.

With over 30 instruments on stage, the band soars through everything from fiery Irish reels to Gypsy fiddle tunes. Their instrumentals are fueled by the twin fiddles of Elizabeth Blickenstaff and Kara Markley, while driven by Mark Richards' explosive rhythm section, and the haunting airs played by Craig Markley's expressive whistle never fail to touch the hearts of their audience.

With this in mind, it is no wonder that Lone Raven is rapidly becoming one of the area's most "in-demand" acts.

Their newest CD release, "Bridges of Time" is available now. For more information, please visit their website at www.loneraven.com.
